

K.C. Slammers

Dear Prospective Heartland Sponsor,

Automotive modelers, young and old, beginners and long-timers, from across the nation, will be in the Kansas City area on **May 30 & 31, 2026** at the Overland Park Convention Center to take part in one of automotive modeling's greatest events! In this our 34th annual contest and swap meet. The Kansas City Slammers Model Car Club is asking for your support of the **2026 Heartland Model Car Nationals** as an Official Sponsor.

As a sponsor of the event you will help provide distinctive awards for the winning builders of scale automotive works of art! A **\$40.00 sponsorship** will defray the costs of First, Second, and Third place awards for an entire category. Your sponsorship will get your name printed on a category's set of trophies plus recognition as a sponsor in magazine event coverage! Furthermore, you or your business will be listed on the event sponsorship page of the KC Slammers' website for 10-12 months. Also it will be displayed on the video screen at the awards ceremony

Finally, as a paid sponsor, The Kansas City Slammers invite you to be our guests at this, our 34th annual show. Come out and see what this national model car competition is all about!

Thank you!

Vern Lyon Chairman – Heartland Model Car Nationals Contest and Swap Meet
